### VERSE 1:

Above all powers, above all kings,  
Ab-ove all nature and all created things,  
Above all wisdom and all the ways of man,  
You were here before the world began.

Above all kingdoms, above all thrones,  
Above all wonders the world has ever known,  
Above all wealth and treasures of the earth,  
There's no way to measure what You're worth.

### Chorus:

Crucified, laid behind a stone,  
You lived to die, rejected and alone.  
Like a rose, trampled on the ground,  
You took the fall,  
And thought of me..... above all.

### Ending:

Oh, Like a rose, trampled on the ground,  
You took the fall,  
And thought of me..... above all.

## Awesome God C13-2 B/C/D Intro

When He rolls up his sleeves he ain't just puttin' on the ritz, our God is an awesome God  
There is thunder in his footsteps and lightning in his fists, our God is an awesome God  
The Lord wasn't joking when He kicked 'em out of Eden.  
It wasn't for no reason that He shed his blood.  
His return is very soon and so you'd better be believin' that our God is an awesome God

Chorus: (2x)

Our God is an awesome God.  
He reigns from heaven above  
with wisdom, pow'r and love  
Our God is an awesome God

And when the sky was starless in the void of the night, our God is an awesome God  
He spoke into the darkness and created the light, our God is an awesome God  
And judgment and wrath He poured out on Sodom.  
Mercy and grace He gave us at the cross.  
I hope that we have not too quickly forgotten that our God is an awesome God

## Child Of Mine C17-5 A/B/C/D Intro1

I've been hearing voices telling me that I could never be what I wanna be  
They're binding me with lies haunting me at night and say, there's nothing to believe

Somewhere in the quietness overcome with loneliness I hear You call my name  
Like a father, You are near as I listen, I can hear You say

Chorus:

You are a child of Mine  
Born of My own design  
And you bear the heart of life  
No matter where you go  
Oh, you will always know  
You have been made free in Christ  
You are a child of Mine

And so I listen, as You tell me who I am and who it is I'm gonna be  
I hang on every word knowing I have heard I am Yours and I am free  
But when I'm alone at night that is when I hear the lie You'll never be enough  
And though I'm giving into fear if I listne I can hear You say

(Chorus)

I am calling I am calling I am calling

He to rescue me from danger interposed His precious blood

## Days Of Elijah C05-7 A/B/C/D Intro1

Verse 1:

These are the days of Elijah declaring the Word of the Lord  
And these are the days of Your servant, Moses righteousness being restored  
And though these are days of great trials of famine and darkness and sword  
Still we are the voice in the desert crying prepare ye the way of the Lord

Chorus:

Behold He comes, riding on the clouds shining like the sun at the trumpet call  
Lift your voice, it's the year of Jubilee out of Zion's hills, salvation comes

And these are the days of Ezekiel the dry bones becoming as flesh  
And these are the days of Your servant, David rebuilding a temple of praise

And these are the days of the harvest the fields are as white in the world  
And we are the labourers in Your vineyard declaring the Word of the Lord

Behold He comes, riding on the clouds shining like the sun at the trumpet call  
Lift your voice, it's the year of Jubilee out of Zion's hill, salvation comes

## Does Anybody Hear Her C17-2 A/B/C/D Sax Solo

She is running a hundred miles an hour in the wrong direction  
She is trying but the canyon's ever widening in the depths of her cold heart  
So she sets out on another misadventure just to find  
She's another two years older and she's three more steps behind

Chorus:

Does anybody hear her? Can anybody see?  
Does anybody even know she's going down today?  
Under the shadow of our steeple with all the lost and lonely people  
Searching for the hope that's tucked away in you and me  
Does anybody hear her? Can anybody see?

She is yearning for shelter and affection that she never found at home  
She is searching for the hero to ride in to ride in and save the day  
And in walks a prince charming and he knows just what thing to say  
Momentary lapse of reason and she gives herself away

(CHORUS)

Bridge: (2x)

If judgment looms under every steeple with lofty glances from lofty people  
Can't see pass the scarlet letter and we've never even met her  
Never even met her

## Fire And Rain C10-8 B/C/D Intro1

Just yesterday morning they let me know you were gone.  
Susan the plans they made put an end to you.  
I walked out this morning and I wrote down this song.  
I just can't remember who to send it to.

### CHORUS :

I've seen fire and I seen rain.  
I've seen sunny days that I thought would never end.  
I've seen lonely times when I could not find a friend.  
But I always thought that I'd see you again.

Won't you look down upon me Jesus, you've got to help me make a stand.  
You've just got to see me through another day.  
My body's aching and my time is at hand,  
And I won't make it any other way.

### (CHORUS)

Now I'm walking my mind through an easy time,  
my back turned towards the sun.  
Lord knows when the cold wind blows it'll turn you head around.  
Well there's hours of time on the telephone line  
to talk about things to come.  
Sweet dreams and flying machines in pieces on the ground. (CHORUS)

## He Reigns C15-6 A/B/C/D Drums

Verse 1:

It's the song of the redeemed rising from the African plain  
It's the song of the forgiven drowning out the Amazon rain  
The song of Asian believers filled with God's holy fire  
It's every tribe, every tongue every nation.  
A love song born of a grateful choir

Chorus: (first 2x second 4x)

It's all God's children singing glory, glory! Hallelujah! He reigns! He reigns

Verse 2:

Let it rise above the four winds, caught up in the heavenly sound  
Let praises echo from the towers of cathedrals to the faithful gathered underground  
Of all the songs sung from the dawn of creation, some were meant to persist  
Of all the bells rung from a thousand steeples, none rings truer than this

(CHORUS) (4x)

Bridge:

And all the powers of darkness tremble at what they've just heard  
Cause all the powers of darkness can't drown out a single word  
When all God's children sing out glory, glory! Halleluja! He reigns! He reigns!  
All God's children sing out glory, glory! Hallelujah! He reigns! He reigns!  
All God's people singing Glory, glory! Hallelujah! He reigns! He reigns!  
All God's people singing Glory, glory! Hallelujah! He reigns! He reigns!  
All God's children singing glory, glory! Hallelujah! He reigns! He reigns!  
All God's children singing glory, glory! Hallelujah! He reigns!

## Heart Of Worship W03-1 B/C/D Drums+Right

### Verse 1:

When the music fades, all is stripped away, and I simply come.  
Longing just to bring something that's of worth that will bless your heart  
I'll bring you more than a song, for a song in itself  
is not what you have required. You search much deeper within  
through the way things appear. Your looking into my heart . . . .

### Chorus:

I'm coming back to the heart of worship  
And it's all about you, all about you, Jesus  
I'm sorry, Lord, for the thing I've made it  
When it's all about you, All about you, Jesus

### Verse 2:

King of endless worth no one could express how much you deserve  
Though I'm weak and poor all I have is yours, Every single breathe  
I'll bring you more than a song, for a song in itself  
is not what you have required. You search much deeper within  
through the way things appear. Your looking into my heart . . . .

It's crowded in worship today  
As she slips in trying to fade into faces  
The Girls teasing laughter is carrying farther than they  
Know, Farther than they know

### Chorus:

But if we are the Body  
Why aren't His arms reaching?  
Why aren't His hands healing?  
Why aren't his words teaching?  
And if we are the body  
Why aren't his feet going?  
Why is his love not showing them there is a way?  
There is a way ( End: Jesus is the way 3X E1 )

A traveler is far away from home  
He sheds his coat and quietly sinks into the back row  
The weight of their judgemental glances  
Tells him that his chances are better out on the road

In Christ alone my hope is found, He is my light, my strength, my song  
This Cornerstone, this solid ground, Firm through the fiercest drought and storm  
What heights of love, what depths of peace, When fears are stilled, when strivings cease  
My comforter, my all in all, Here in the love of Christ I stand

(PLAY INTRO)

In Christ alone, who took on flesh, Fullness of God in helpless babe  
This gift of love and righteousness, Scorned by the ones He came to save  
'Til on that cross as Jesus died, The wrath of God was satisfied  
For every sin on Him was laid, Here in the death of Christ I live

No guilt in life, no fear in death, This is the power of Christ in me  
From life's first cry to final breath, Jesus commands my destiny  
No power of hell, no scheme of man, Can ever pluck me from His hand  
'Til He returns or calls me home, Here in the power of Christ I'll stand  
No power of hell, no scheme of man, Can ever pluck me from His hand  
'Til He returns or calls me home, Here in the power of Christ I'll stand

From the highest of heights to the depths of the sea  
Creation's revealing Your majesty  
From the colors of Fall to the fragrance of Spring  
Every creature unique in the song that it sings, all exclaiming

Indescribable, uncontainable,  
You placed the stars in the sky and You know them by name  
You are amazing, God  
All powerful, untameable,  
Awestruck we fall to our knees as we humbly proclaim  
You are amazing, God You are amazing, God

Who has told every lightning bolt where it should go  
Or seen heavenly storehouses laden with snow  
Who imagined the Sun and gives source to its light  
Yet conceals it to bring us the coolness of night, none can fathom

End:  
Indescribable, uncontainable,  
You placed the stars in the sky and You know them by name  
You are amazing, God

## Let It Fade

Have you been walking on a surface that's uncertain?  
Have you helped yourself to everything that's empty?  
You can't live this way too long;  
There's more than this, more than this.

Have you been standing on your own feet too long?  
Have you been looking for a place where you belong?  
You can rest; you will find rest. You can rest; you will find rest.

Chorus:

Let this old life crumble, let it fade.  
Let this new life offered be your saving grace.  
Let this old life crumble, let it fade.  
Let it fade.

Have you been holding onto what this world has offered?  
Have you been living into all these masquerades?  
It will be gone, forever gone.  
It will be gone; it will be gone.

(CHORUS)

Are you carrying the weight too much? You're running from the call.  
Let it fade.  
You can rest; you will find rest. You can rest; you will find rest.

Let this old life crumble, let it fade.  
Let this new life offered be your saving grace.  
Let this old life crumble, let it fade.  
Let it fade. Let it fade.

Let this old life crumble, let it fade....

The sun cannot compare, to the glory of Your love,

## Praise You In The Storm C17-4 A/B/C/D Intro1

DEF DEF CEF CEF

Verse 1: (A)

I was sure by now God you would have reached down  
And wiped our tears away, stepped in and saved the day.  
But once again, I say amen that it's still raining

Chorus: (B)

As the thunder rolls, I barely hear your whisper through the rain,  
I'm with you  
And as your mercy falls I raise my hands  
And praise the God who gives and takes away  
And I'll praise you in this storm, and I will lift my hands  
That you are who you are, no matter where I am  
And every tear I've cried you hold in your hand  
You never left my side and though my heart is torn  
I will praise you in this storm

Verse 2: (C)

I remember when I stumbled in the wind  
You heard my cry, you raised me up again  
My strength is almost gone how can I carry on  
If I can't find you

## Watch The Lamb C17-6 A/B/C/D

Walking on the road to Jerusalem  
The time had come to sacrifice again.  
My two small sons, they walked beside me on the road  
the reason that they came was to watch the lamb.

Daddy, Daddy, what will we see there?  
There's so much that we don't understand.  
So I told them of Moses and Father Abraham.  
and then I said, "Dear children, watch the lamb.

There will be so many in Jerusalem today.  
We must be sure the lamb doesn't run away.  
And I told them of Moses and Father Abraham.  
and then I said, Dear children, watch the lamb.

When we reached the city, I knew something must be wrong.  
There were no joyful worshipers, No joyful worship songs.  
I stood there with my children in the midst of angry men.  
Then I heard the crowd cry out, "Crucify him!"

We tried to leave the city, but we could not get away.  
Forced to play in this drama, a role I did not wish to play.  
Why upon this day were men condemned to die?  
Why were we standing here where soon they would pass by?

I looked and said, "Even now they come."  
The first one cried for mercy, the people gave him none  
The second one was violent, he was arrogant and loud.  
I still can hear his angry voice screaming at the crowd.

Then someone said, "There's Jesus!" I scarcely believed my eyes.  
A man so badly beaten, He barely looked alive  
Blood poured from His body from the thorns upon His brow  
Running down the cross and falling to the ground

I watched Him as he struggled. I watched Him as He fell  
The cross came down upon His back, the crowd began to yell.  
In that moment I feel such sorrow. In that moment I felt such loss  
Until a Roman soldier grabbed my arm and screamed, "You! Carry His cross!"

At first I tried to resist him then his hand reached for his sword.  
So I knelt and took the cross from the Lord  
I placed it on my shoulder and started down the street  
The blood that he'd been shedding was running down my cheek.

They led us to Golgotha. They drove nails deep in His feet and hands.  
And yet upon the cross I heard Him pray, "Father, forgive them."  
Oh, never had I seen such love in any other eyes.  
"Into Thy hands I commit My spirit." He prayed, and then He died.

I stood for what seemed like years. I'd lost all sense of time  
Until I felt two tiny hands holding tight to mine.  
My children stood there weeping. I heard the oldest say  
"Father, please forgive us. The lamb ran away."

"Daddy, Daddy, what did we see here?  
There's so much that we don't understand."  
So I took them in my arms, and we turned and faced the cross

## Who Am I C10-1 A B C Intro1 Mike

a a g#

Who am I that the Lord of all the earth  
would care to know my name, would care to feel my hurt  
who am I, that the Bright and Morning Star  
would choose to light the way for my ever wandering heart

Chorus:

Not because of who am I, but because of what you've done  
Not because of what I've done, but because of who you are  
I am a flower quickly fading, here today and gone tomorrow  
A wave tossed in the ocean, a vapor in the wind.  
Still you hear me when I'm calling.  
Lord, you catch me when I'm falling  
And you told me who I am, I am yours

Who am I, that the eyes that see my sin  
would look on me with love and watch me rise again?  
Who am I, that the voice that calmed the sea  
would call out through the rain and calm the storm in me?

## You Are My King W03-7 B C D Greg

Amazing love, how can it be  
That Thou my God should die for me

Chorus:

Amazing love how can it be  
That You my King would die for me  
Amazing love, I know it's true  
And it's my joy to honor You  
In all I do, I honor You

End:

In all I do, I honor you  
In all I do, I honor you

I'm forgiven because You were forsaken  
I'm accepted, You were condemned  
I'm alive and well Your spirit is within me  
Because You died and rose again

(CHORUS)

Bridge:

You are my king  
You are my king  
Jesus You are my king  
Jesus You are my king

## You Raise Me Up W12-1 A/B/C

Verse 1:

When I am down  
And oh my soul so weary  
When troubles come  
And my heart burdened be  
Then I am still and wait here in the silence  
Until You come and sit awhile with me

Chorus:

You raise me up  
So I can stand on mountains  
You raise me up  
To walk on stormy seas  
I am strong when I am on Your shoulders  
You raise me up to more than I can be

(CHORUS)

Verse2:

There is no life  
No life without this hunger  
Each restless heart beats imperfectly  
But when You come  
And I am filled with wonder  
Sometimes I think I glimpse eternity

(CHORUS)

Instrumental: (NO VOICES)

When I am down  
And oh my soul so weary  
When troubles come  
And my heart burdened be  
Then I am still and wait here in the silence  
Until You come and sit awhile with me

Chorus2:

You raise me up  
So I can stand on mountains  
You raise me up  
To walk on stormy seas  
I am strong when I am on Your shoulders  
You raise me up to more than I can be
